

## **HAIR FOR RECITAL – note some have changed**

Since we have moved to 6 mini shows, there is limited time for dancers to be able to do hair and costume changes during each act.

To accommodate for this, we had to make some changes to the hairstyles that may have been listed on your costume sheet you received with your costume.

Carefully read over this list to find your dances and the hairstyle that will be required for recital.

**The dances that have had a hairstyle change from your costume sheet are highlighted red.**
